

WORKS BY ANTONIUS JANUE

WORKS ATTRIBUTABLE
TO ANTONIUS JANUE

APPENDIX

Note

By an error of the printer the interleaf titles of CMM 70 are printed on a wrong page, respectively omitted in two cases. We apologize for these errors.

Enclosed we send you the three interleaves, printed on gummed paper, with the kind request to paste them on their right places, that's to say:

1. the interleaf title **WORKS BY ANTONIUS JANUE** is to paste on the first right page after the plates (over the wrong printed title: **WORKS ATTRIBUTABLE to ANTONIUS JANUE**);
2. the interleaf title **WORKS ATTRIBUTABLE TO ANTONIUS JANUE** is to paste on the blank page, facing page 28;
3. the interleaf title **APPENDIX** is to paste on the blank page, facing page 42.

Sincerely yours,
